UCI ICS FREQUENTLY ASKED QUESTIONS

Q: How do I change my major to Computer Science at UCI?

- **Requirements:** Complete Math 2A-2B, ICS 31-32 with a minimum cumulative GPA of 3.0 or higher across all ICS courses, and earn a grade of B or better in ICS 31 and ICS 32.

Q: Can I take a major class Pass/No Pass (P/NP)?

- **No.** All courses required for any ICS major must be taken for a **Letter Grade**. P/NP units will not fulfill major requirements.

Q: What happens if I get a C- in ICS 33?

- A C- is passing for unit credit, but it **does NOT** meet the prerequisite requirement (C or better) to take upper-division courses like ICS 46 or ICS 45C. You must repeat the course.
